Puzzles

Answers on page 46

CHICK CHECK

Can you find the two missing sections of this duckling picture?

TRUE OR FALSE?

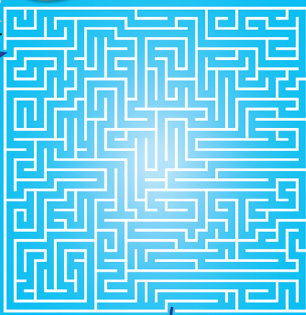

Chickens lay up to 500 eggs a year.

EGG HUNT

See if you can make it through this maze and collect all the hidden eggs!

START

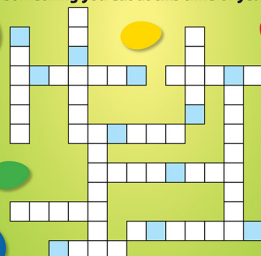

FINISH

Can you work out which four baby animals are muddled up in the grid below?

Fit the words listed below in the grid, and the highlighted letters will unscramble to spell something you eat at this time of year!

- April ● Basket ● Bunnies ● Chocolate
- Daffodil ● Flowers ● Hatch ● Nest ● Plant
- Puddles ● Showers ● Spring

WHAT A BABY!

Put a letter in each shaded box to form two new words. The letters in the ladder will reveal the name of a young animal.
