WILD WINDOW ART

Make sure Mother's Day is super colourful with this amazing 'stained-glass' window...

What you'll need

- Two pieces of black card
- Paper clips
- Scissors
- Pencil sharpener
- Wax crayons
- Two sheets of wax paper
- An iron
- A tea towel
- PVA glue

Start here!

1 First, place the two pieces of black card on top of each other and secure the edges with paper clips. Then draw your pattern onto the top piece of card.

2 Carefully cut out the shapes of the pattern, making sure you cut through both pieces of card.

3 Use the pencil sharpener to create shavings from different-coloured wax crayons, then sprinkle them onto one sheet of the wax paper.

4 Put the other piece of wax paper on top of the shavings, place a tea towel on top of that, and then ask an adult to help you gently iron it until the shavings have melted.

5 Once the wax has cooled, glue the black card to either side of the wax paper, making sure that the pattern lines up on both sides. Then cut around the outside of the shape. Your mum will love it!
